

Rajan Amin

Rajan has been a joint Franchise Holder of General Insurance Broker, Coversure (Kennington) since it was opened in 2002 with his wife Hina. Prior to this they were co owners of another Coversure franchise in Wimbledon.

He has over 20 years experience within the financial and insurance services industry and is a member of the Chartered Insurance Institute (CII) holding a Certificate in Insurance. He has also com-

pleted and passed the London Landlord Accreditation Scheme (LLAS) and was instrumental in the conception and development of a unique Landlord's Rent Guarantee Insurance.

Rajan is well respected in the local and Asian community and has been actively involved with many business networks including BNI, TiE, FSB and Business Link. Rajan is currently the President of the Rotary Club of Balham.

Dr Rami Ranger

Rami Ranger , MBE, FRSA is a businessman and also a Member of the British Empire who has been honoured five times by Her Majesty the Queen. Setting up his first business in 1987 , Rami now runs two of Britain's fastest growing companies with an annual turnover in excess of 120 million pounds. His company Sun Mark Ltd received the Queens Award for Enterprise in 2009, 2010 and 2011. This year the company was added to the Sunday Times most

profitable 100 companies in Britain. He is the founder member of not only the British Asian Conservative Link but also the Hindu Forum Britain and Rami set up the Pakistan, India & UK Friendship Forum soon after the 7/7 bombings. He is the Chairman of the British Sikh Association aswell as the Vice President of the International Punjabi Society of British Isles.

Ruby McGregor - Smith

Ruby McGregor-Smith was appointed the CEO MITIE Group PLC, the FTSE 250 strategic outsourcing and energy services company in 2007 after being with the company for 5 years. Being the first Asian woman to be appointed in such a role within that group of companies, Ruby has seen MITIE grow its revenue from £0.5bn to £1.9bn, continuing its unbroken track record of profit and rev-

enue growth. She has also embedded into the business, her strong belief that responsible business practice should sit at the heart of corporate strategy and forms a key component of success. Her passion for promoting opportunities, entrepreneurialism and equality, have been recognised with a number of awards, media profiles and speaking events throughout the UK.

Ali Kurji

Originally from Uganda, Ali came to the UK in 1968 to train as an accountant.

He joined a firm of accountants in Manchester progressing as an Audit Manager. It was during this time that Ali was exposed to Co-operative societies across the UK. In 1982 he was approached and joined the Coventry Co-operative Society as a Management Accountant.

He continued to rise through the

ranks, finally becoming Chief Executive in 2004. Back in 2000 he was the key instigator in progressing the Helping Hearts Awards scheme whereby all the profits from tobacco sales are donated to local community/charity projects. The scheme to date has donated £636,000.

Ali is involved in his local community in Birmingham and takes an active part in projects dedicated to the education of young people.
